Automation

Automation adds a level of ease and convenience with the touch of a single button. Your entire home or office can be synced to a single remote control to open and close your blinds, Curtains or Awnings.

At Love Blinds and Awnings we are a Somfy Motorisation Specialist bringing you sleek and Stylish remote controlled options for automation of all your window furnishings.

Or Perhaps you would like to control your blinds, curtains and awnings from your smartphone or tablet? Even when you are not at home? Well with the new Somfy myLink you can!

WHY SHOULD YOU CONSIDER MOTORISED BLINDS?

No more chains or strings that get tangled up! With just one click you can open or close your blind with perfect positioning and alignment. Somfy motors are also ideal for large windows, high-up or hard to reach blinds!

THE BENEFITS OF A SOMFY MOTORISED BLIND, CURTAIN OR AWNING

The quiet Sonesse range:
Dedicated to interior spaces.

The "my" function:
Lets you program a preferred position of your blinds so that you can access that favourite position every time at a simple press of "my" button. Set it once and use it as much as you like!

Ready for home automation

BATTERY POWERED AUTOMATION SOLUTIONS

Don't want to spend big dollars on electrical requirements for hard wired Automation?

Or perhaps your electrician is unable to provide power in your fully tiled bathroom or other hard to wire area? Talk to us today about our new state of the Art Acmeda Arc, battery powered solutions for your home or business.

With all the benefits and convenience of hard wired Automation, without the cost of an electrician and functional even when there is a power outage. Acmeda Arc solutions are also available with smartphone and tablet integration giving you more sophisticated and affordable Automation options than ever before!
